

# 2022 Dance Connection Dance Camps

*New and exciting artistic and athletic summer dance camps!*

## **Registration:**

Dance Connection is proud to offer paperless online registration. If you are new to our registration process, please follow our online instructions for general registration. In our registration portal, you will be able to click on the heading “Summer Camps” by week, then click on the specific camp you wish to register for.

Upon registering, your account will be billed the camp session fees, payable on the first of the month of the camp session. A non-refundable deposit of \$50 is due at the time of registration, and must be paid to avoid having registration dropped. Statements and receipts will be sent via email. Detailed camp information including what to bring, what to wear, where to meet, and the daily camp schedule will be sent via email the week prior to each camp. If you do not complete the registration process to the final “thank you” page, your registration will be dropped, and an email will be sent to notify you that your enrollment has been dropped. Please login to your account a few days after registering to confirm your registration.

**Summer Dance Camp Cancellations/Changes:** If you must cancel a camp session or make a change to your existing camp registration, the deposit is not refundable. We will gladly transfer your camp enrollment to an alternate camp session (space providing) and apply the \$50 deposit to the transferred camp. You must contact the studio via email for camp transfers or cancellations at: [info@danceconnectionpal Alto.com](mailto:info@danceconnectionpal Alto.com) at least two weeks prior to the camp date.
